JOURNAL 1981

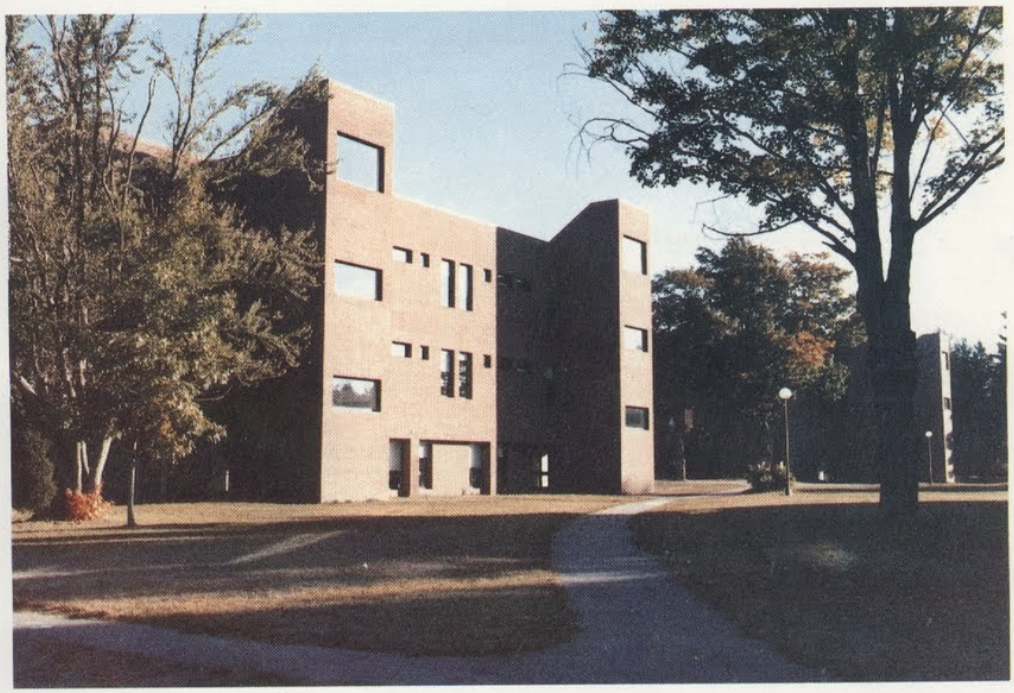
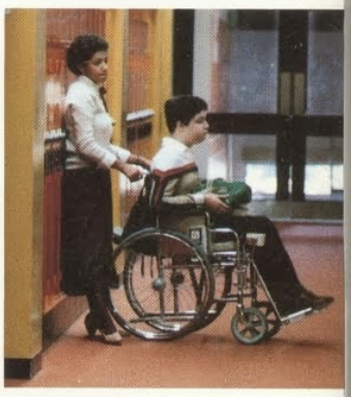
TAUNTON HIGH SCHOOL

TAUNTON, MASSACHUSETTS

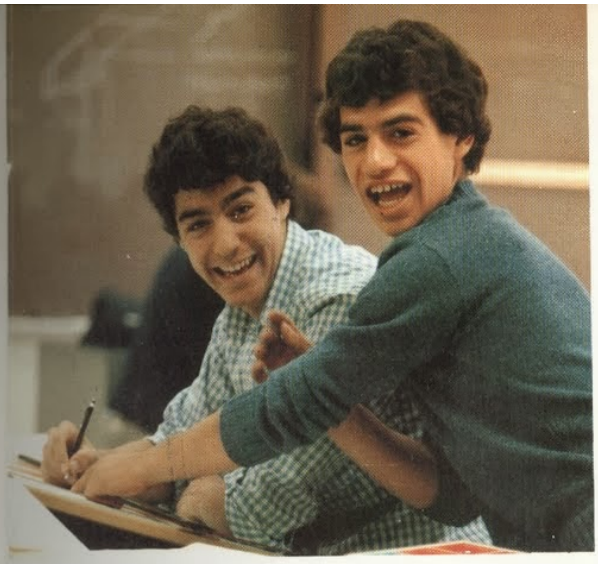


Forever
Good friends are
forever . . .

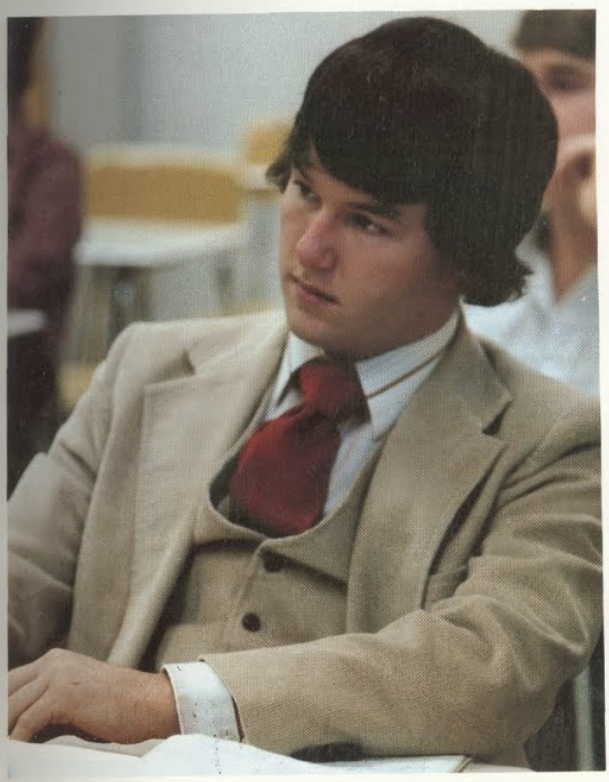
They never fade
even when they are
weathered by the years . . .



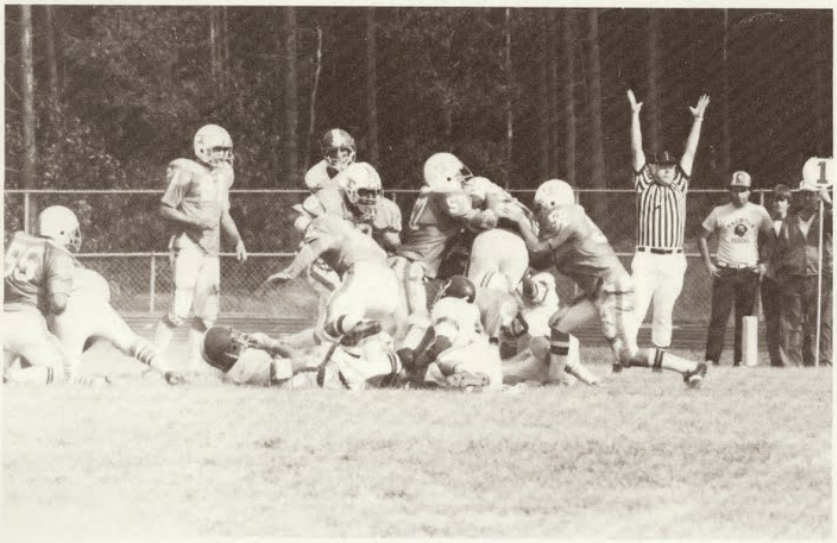
Whenever I'm lonely . . .

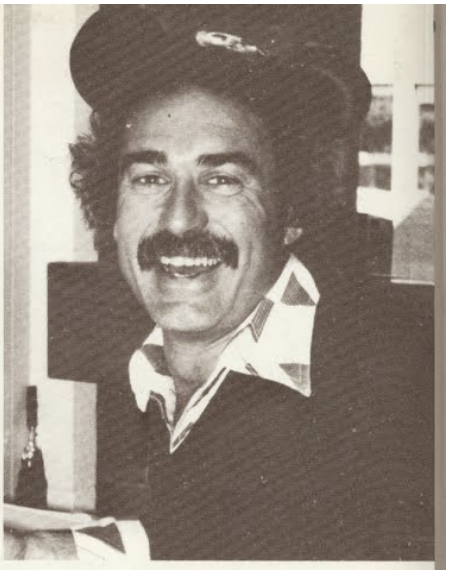


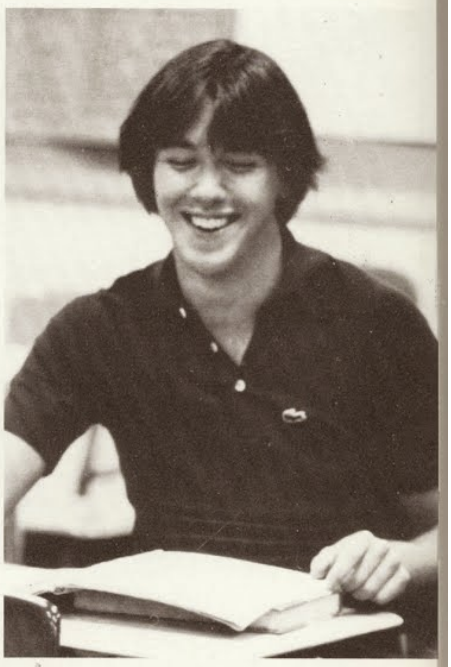
Whenever I think I'm
the only one that
cries,
you feel my tears . . .



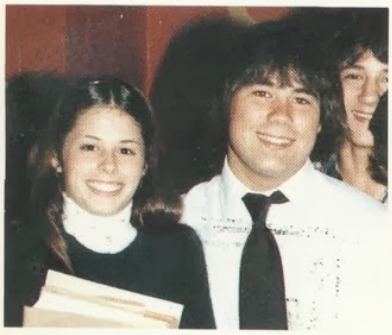
Oh I need to share
all of my joy and all of
my cares with you . . .



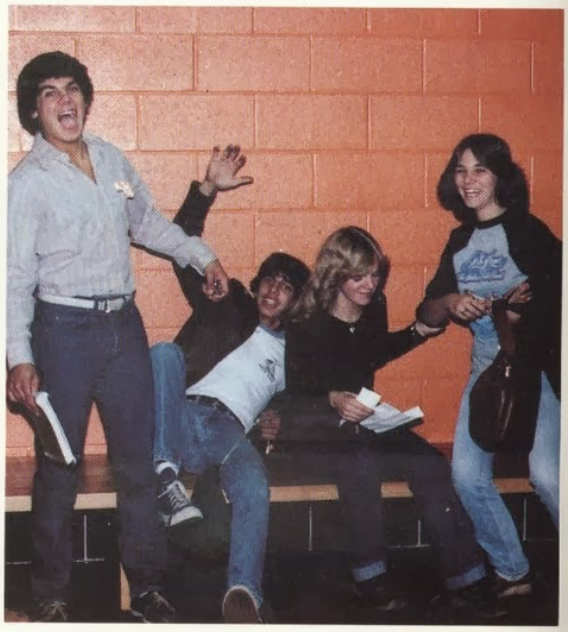




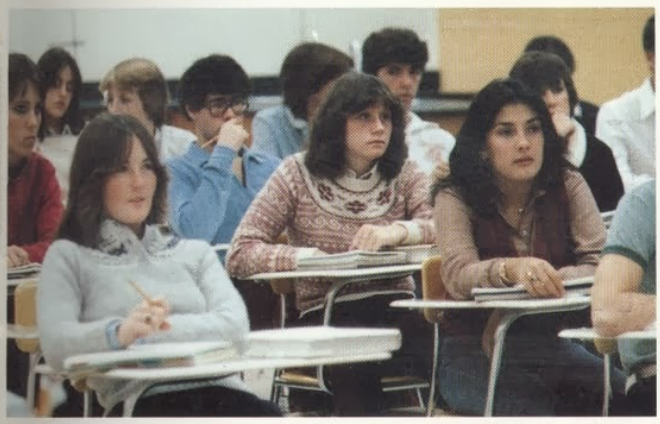
'Cause you are my friend . . .

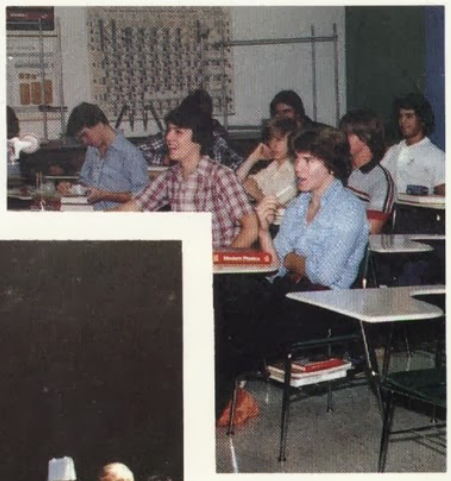


Oh, together, good friends stay together . . .



Whether we're far or near, you always seem to hear when I call . . .



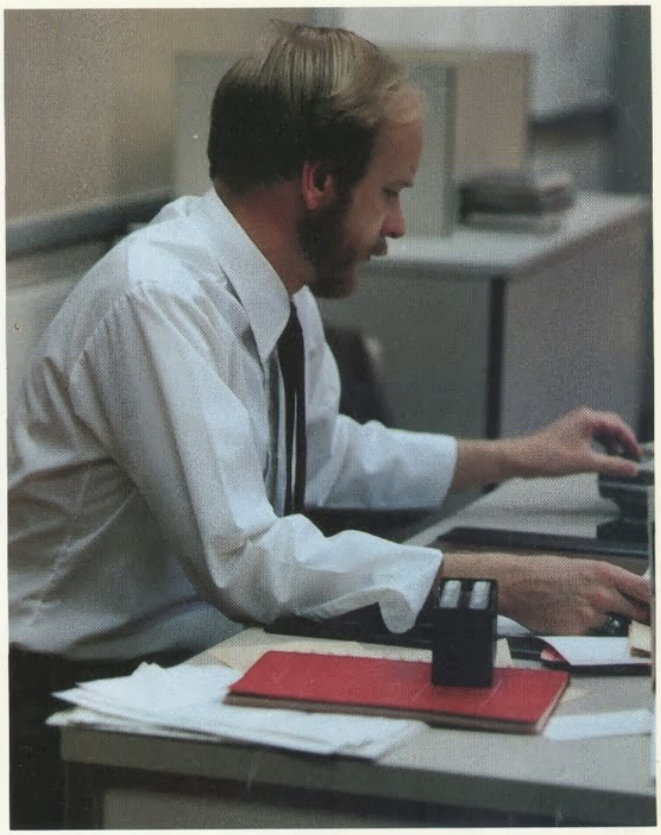


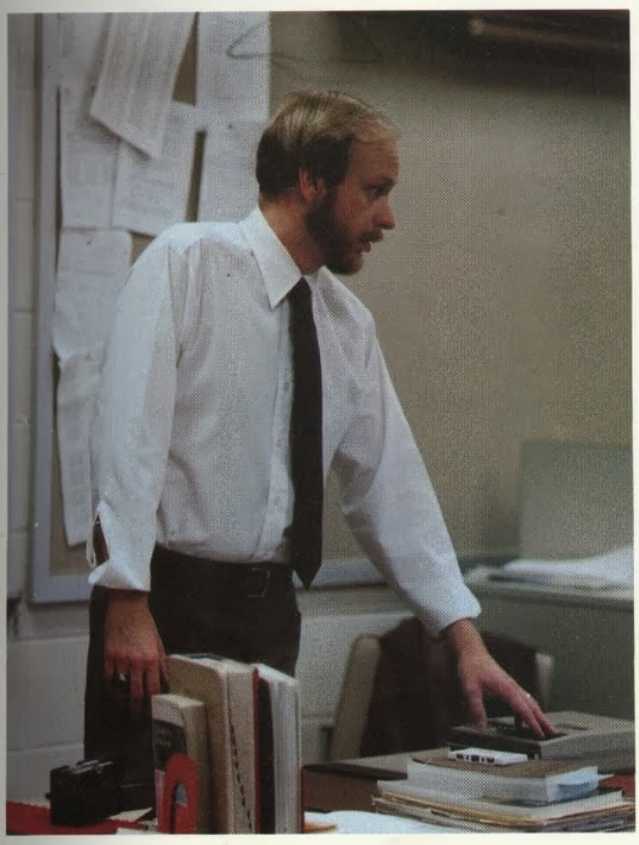
What I'm trying to say,
is though we're apart . . .

You're in my heart to stay . . .

You are
my friend.

Dedication

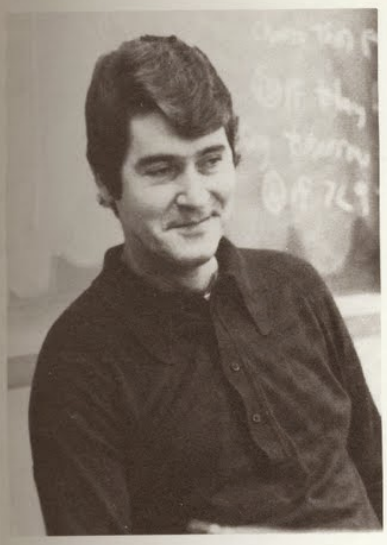


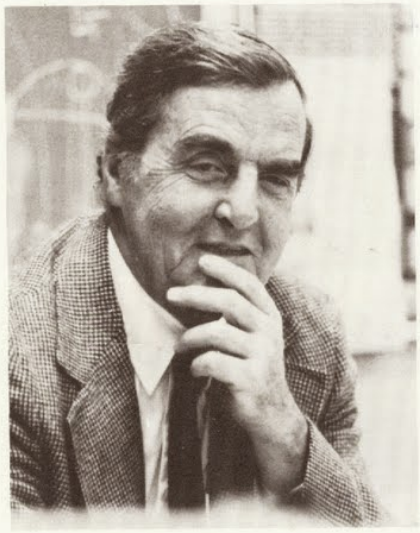


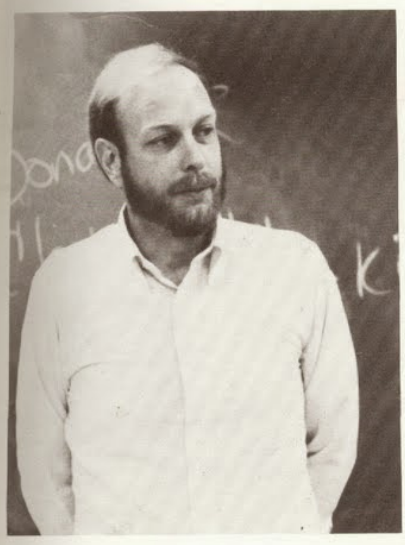
We, the Class of 1981, dedicate our Journal to a man who, in our four years at Taunton High School, has been our teacher, our friend, and our mentor. Always willing to give of his time, his knowledge, and himself, we will long remember the moments we shared. It is with great love that we dedicate our yearbook to Mr. Lawrence Moniz.

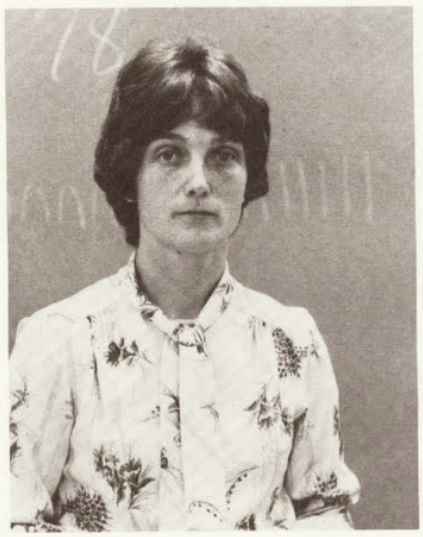
Love and best wishes for a
bright future,
The Class of 1981

Faculty









Members of the 1981 Graduating Class:

It is with some reluctance that I write this brief message for your yearbook because it denotes the passing of another school year and I dislike losing a group of fine young men and women. As a class, your goals have been varied; your sincere interests in the welfare of the school, most sincere.

For some, graduation will mean advanced study; for others, the formal beginning of regular employment. I hope that the training you have received here has helped you to attain some of your objectives and has helped you to plan for the future with confidence and wisdom.
